LifestyleRx & BCDiabetes

[LifestyleRx](#) is a physician-led, 100% virtual, 12 week lifestyle management program that is fully funded by the BC Medical Services Plan. It is also covered in Alberta and Ontario.

[LifestyleRx](#) goes to the very heart of why diabetes develops and what can be done to potentially reverse it.

Dr. Elliott is the Endocrinology Medical Director of [LifestyleRx](#). He recommends that every BCDiabetes client consider [LifestyleRx](#) as it explores in a detailed but common-sense way how lifestyle therapy can be profoundly beneficial - below is a selection of visual learning tools available through the [LifestyleRx](#) program.
