By signing up for this program, you agree to the terms and conditions below:

- This program has no cash value.
- This program is for customers who are using the MiniMed™ 670G or MiniMed™ 770G system to access SmartGuard™ auto mode technology
- This offer includes **one** free Medtronic transmitter per year (only if applicable) and **one** box of Guardian Sensor(3) per month to a maximum of 12 boxes at CAD $99/box.
- Customers must confirm that they do not have any insurance coverage or any other coverage for Medtronic sensors to be eligible for this program.
- Customer must sign up for 12 months of CGM usage. After the 12 months, customers must contact Medtronic to confirm eligibility for renewal.
- If a customer cancels their 12-month CGM subscription, they must return the transmitter, or they will be charged for the full retail price of the transmitter ($800 CDN).
- If a customer's CGM coverage changes during the 12-month subscription, they must inform Medtronic and may no longer be eligible for this program.
- Customers who have insurance coverage for Medtronic CGM but who have failed to meet medical criteria are excluded.
- Additional supplies will not be eligible for a discount.
- This discount cannot be applied to past orders.
- Most orders will be delivered within 3-5 business days from the purchase date.
- Customers must verify their eligibility for the program over the phone and sign the CGM access program customer acknowledgement form prior to placing any discounted CGM supplies order.
- This program is subject to change at Medtronic's discretion and Medtronic may modify, suspend, or cancel the program at any time.
- Not eligible for any products already covered for the patient under private insurance (primary or secondary) or under a government program (funded or eligible).
- Medtronic reserves the right to refuse any requests where it reasonably suspects that such requests are prohibited by these terms and the above eligibility criteria, any relevant law, or are otherwise deemed

inappropriate.

Acknowledgement:
